"It has been our pleasure to involve Rosa's Catering in our corporate events. They understand our needs for both small and large gatherings, with some involving several hundred attendees. Without exception Rosa's has responded with excellent menu choices and outstanding execution."

"When Phillip and I were planning our wedding in 1981 we had very little money and had to make every penny count. Rosa Nussbaumer graciously designed a menu around our needs and provided the wedding and groom's cake for our reception. She worked with us to maintain an affordable budget while enabling us to have the reception we wanted. Twenty-five years later, Rosa provided the cake for our silver anniversary. It was every bit as beautiful and delicious as our wedding cake. We will be forever grateful for her kind heart."

"Thanks....everyone!!! This year's Dogwood Ball was absolutely beautiful and everyone seemed to have enjoyed the evening. The food from RCS was fabulously delicious, decorations stunningly beautiful, the Debs were sophisticated and incredibly poised and polished, and I think all in all, it was a tremendous success!"

"Thank you so much for the amazing "Born To Rock" guitar cake you made for my daughter's baby shower. It was the shining star of the party and I loved telling everyone about the gifted person who created it for me! All my thanks for the beautiful and delicious cake. I couldn't keep my fingers out of the leftovers!"

"I just wanted to let you know how impressed I am with Macallister's cake. You guys outdid yourselves. It was not only delicious, but it was also a masterpiece. Please imagine the face of a gorgeous 3 year old (dressed in his Buzzlightyear costume) as he stares at his cake while we sang Happy Birthday. Thank you for making my baby's b-day so special!

Love,"

"Our party was wonderful. I was surprised when all of my guests were early but your group jumped right in and got everything ready very quickly. They did a wonderful job and the food was eye catching as well as delicious. Everyone was impressed with the wonderful smells. I thought there was going to be a fight over who got to take home the few leftovers. I am already looking forward to the next time I can use your services."

"I wanted to thank you for the wonderful job your company provided for my daughter Jenny's wedding. We were out of state and didn't know anyone in the area. Your website got us started and after that everything fell into place. Working with your company was a wonderful experience. Everyone was so professional, and always available to answer my many questions. The day of the wedding could not possibly have been any better! The food was outstanding!!! I received so many compliments that evening not only on the food, but the set-up of the reception as well. The tables, the food, the service staff, everything was perfect. Thank you again and please feel free to use me as a contact for anyone who is considering using your company."

Recently I met you at the Dandridge June Jubilee Gala. With the utmost kindness you went to the extra trouble to bring a charcoal grill to the event in order to prepare a piece of fresh fish with your special seasoning just for me. Please allow me to express my appreciation and to acknowledge that you set an example I should follow. With so many other guests to care for, I assumed the fish would be prepared ahead of time. Instead it was prepared fresh at the event. The tables were certainly attractive and everyone was complimentary of all the food.

Best wishes for your continued success.

A quick note to let you know how much Ron and I appreciate the great job you and your staff did on Tessa's wedding. We knew you did a good job but until recently we didn't realize how outstanding it was. Last weekend we attended a wedding in Houston. We could tell it was a very expensive affair. Their caterer let them down. The appetizers were served late and cold. The bar lines were 20-30 minutes. It was a 5PM wedding and the dinner wasn't served until almost 9:00PM. All the guests were restless to say the least. It made Ron and I think how lucky we were to have you and what a wonderful job you did. You made Tessa's wedding day so special for all of us. Thank you.

Dear Phil,

I have wanted to send you a nice letter in the mail telling you how wonderful you and your catering were at Danah's wedding. You and your staff exceeded my grandest expectations for the wedding reception. I can't begin to tell you how much I appreciated your calm demeanor and the way you put me at ease with all of the confusion that I'm sure all weddings bring with them. I hope you will understand what a privilege it was to have you and your staff attend to our needs. What an awesome job you did for Danah and Stan. I will long remember your excellent service and attention to details. With all of this said however I want you to know what a kind and wonderful individual you have shown yourself to be. It must come to you naturally. May God bless you as you continue your business.

Sincerely, Ramona Akin
